HIGH PERFORMANCE LIGHTING

TRIPLE-R 8 ('1000') PLUS POSITION LIGHT

See, and be seen, with the Triple-R 1000 Standard with integrated Position Lights. Recognised as being amongst the most powerful road legal driving lights available, the Triple-R 1000 has been given a safety and styling upgrade thanks to the addition of integrated Position Lights which activate with your vehicle's standard side lights. Fully road legal both as a Driving (E11 Ref 30) and Position Light, the lamp adopts the same class leading LED and component technology, with innovative design features, that has established the Triple-R range of auxiliary lights as the must have vehicle accessory.
